## PROFESSIONAL SUMMARY

---

Certified Full-Stack Developer with a strong foundation in building responsive, user-focused web applications using React, Node.js, Express, and MongoDB. Transitioned from a background in IT support and HR operations to software development through hands-on training and real-world project experience. Currently interning at Stalwart Technologies and previously with B-Cloud Technologies, contributing to scalable full-stack applications. Passionate about clean code, intuitive UI/UX design, and delivering high-impact digital solutions.

## TECHNICAL SKILLS

---

**Frontend:** React.js, JavaScript, Tailwind CSS, CSS, HTML, Figma

**Backend:** Nodejs, MongoDB, ExpressJs, SwaggerUI

**Tools:** Git, Github, Visual Studio Code, Vercel

**Other Skills:** Technical Support, UI/UX Design, REST APIs

## EXPERIENCE

---

### STALWART TECHNOLOGIES
